- Prayers go out to all the victims of flooding in 2011.

- Finished AI season - and got all the cows out to pasture - They look way more content out on grass than they did in the corrals. Clay thinks the cows gained a body condition score since we got them out to pasture, three weeks ago.

- We will be starting first cutting hay - well as soon as the rain lets us - we will be chopping it - so that will make it go faster - if we can get a few days of dry.

- Visitors are always welcome - Clay loves to talk cattle
